

Region Nine Kelp Consortium (RNKC) 2010 Annual Meeting

Wednesday, 23 June 2010
9:30 am – 12:00 pm

City of San Diego
Environmental Monitoring & Technical Services Division Laboratory
2392 Kincaid Road • San Diego, CA 92101

AGENDA

9:30 AM to 11:00 AM (Open to the Public)

1. Introductions

2. Oral Presentation of 2009-10 Kelp Project Results

Mike Curtis (MBC Applied Environmental Services) will report on the results of the 2009 surveys, provide a progress report on the initial surveys for 2010, and answer questions from the Consortium and interested public.

3. Consortium Acceptance of Annual Report

The Consortium members (funding and regulatory agencies) will take receipt of the "Status of the Kelp Beds 2009" report.

4. Public Comments

The Consortium will hear and address any questions or comments from members of the interested public.

5. Public Meeting Adjournment

11:00 AM to Noon (Closed Session)

6. RNKC Business Meeting

A business meeting limited to the RNKC members and regulatory agency representative will be held to discuss Consortium business. A separate agenda will be provided at the meeting.

***DIRECTIONS TO: City of San Diego's Environmental Monitoring & Technical Services Division Laboratory (EMTS Lab)
2392 Kincaid Road, San Diego, CA 92101***

From Downtown San Diego: Take Harbor Drive heading west past the airport. Just past the City's Pump Station #2, make a right turn onto McCain Road (there's a new traffic signal here as of May 2010). Make a left at the first stop sign onto Spruance Road. Go to the end of Spruance Road and turn left into the parking lot. The EMTS Lab will be directly in front of you.

From the Point Loma Area: Take Harbor Drive heading east towards downtown San Diego. Turn left onto McCain Road located just before Terminal 2 of the airport and follow the directions above.

NOTE: *The above map is a little old. Ignore the note about making a U-turn at the Terminal 2 intersection. There is now a traffic signal at Harbor Drive and McCain Rd.*
